Upon consideration of submissions relative to the motion to file supplemental appendix, which the court construes as a motion to file an exhibit volume containing a DVD recording of a presentation made to the district court at the summary judgment hearing as a supplement to the joint appendix, the court grants appellants' motion for leave to file supplemental response and grants appellee's motion for leave to file the exhibit volume as a supplemental appendix.

Upon review of the district court docket and inquiry to the district court regarding the record, this court has determined that the DVD recording constitutes a portion of the record on appeal.

Appellee is directed to file four copies of the exhibit volume, appropriately labeled, as a supplement to the joint appendix, within 10 days from the date of this order.
